RE: Deputy Joe Luciano

Dear Sargent Walsh

The purpose of this letter is to call out the efforts of Deputy Joe Luciano and commend his actions.

Chicos is a Woman's specialty retailer that operates stores throughout the country and in particular at Orchard Hills Village Center in Irvine. On Tuesday March 25 2014 Deputy Luciano was off duty in the vicinity of our store at Orchard Hills. Deputy Luciano had occasion to observe an Organized Retail Crime (ORC) Group who were in the act of committing felony larceny at our store. I'm not sure how he did it but Deputy Luciano was able to coordinate with the Irvine Police Department, catch the criminals in the act, effect the arrests, and recover over \$5,000 worth of Chicos merchandise that had been stolen.

Our thanks go out to Deputy Luciano and we commend him on his actions and the recovery of our goods. It's great to know that the Los Angeles County Sherriff's Department has men and women that are as competent as Deputy Luciano. Please pass on a "well done" to Deputy Luciano and thank him on our behalf for the Great work.

We would like to offer an award to Deputy Luciano but know that is not proper. So instead, Chicos would like to make a contribution of \$500 to a charity selected by the Sheriff's department.
