CHICAGO, November 6, 2014 – Wicklander-Zulawski & Associates, Inc. “Our 2015 schedule truly provides an opportunity for learning for interviewers of all skill level,” said Shane Sturman, CFI, president and chief executive officer of WZ. “Back by popular demand, we have a limited number of dates for our Premiere Investigators Workshop. This workshop format was so popular last year we added an additional date. This particular workshop is only for the best-of-the-best interviewers.”

WZ’s “6 Milestones to Elite” curriculum guide was created in response to an overwhelming number of requests for an organized way to approach professional development specifically for interviewing. No matter what career level, whether just starting out in the interviewing field or if you need a refresher of key concepts, professionals will find educational value throughout the 6 Milestones to Elite guide.
