To Whom It May Concern,

In an effort to centralize intelligence sharing and increase overall awareness to crimes impacting the Mid-Atlantic region, a group of individuals within both private and public sectors have come together and formed the Mid-Atlantic Organized Retail Crime Alliance (MAORCA), a non-profit organization. This organization will join members from Law Enforcement and Retail Loss Prevention to align and share information, provide training and development, and support the community.

The development of a comprehensive website is underway. This site will serve as a portal for all communication among the members of the ORCA. We are initially asking for minimum donations in the amount of \$100 to help fund our website development and start-up, along with future projects to support our goals.

Donations can be made directly to **"Mid-Atlantic Organized Retail Crime Alliance."**

Please send your donations to:

MAORCA

In return you will be provided you with a receipt for tax purposes. We are hoping to have funds secured by December 4, 2015 in order to launch the website by February 1, 2016!

MAORCA looks forward to working with you and your company in the future, providing intelligence sharing, training, resources and networking to prevent crime in the Mid-Atlantic region.
