CONTROLTEK Moves into New Headquarters, Opens Customer Experience Center

Bridgewater, N.J., (March 6, 2019) – [CONTROLTEK](#), an emerging leader in loss prevention solutions, has opened new headquarters which include a brand-new customer experience center, showcasing the latest technology in loss prevention and asset tracking.

“The new customer experience center offers a unique space for clients to view and test the latest asset protection solutions,” said [Steve Sell](#), CONTROLTEK’s vice president of global sales and

marketing. “It is designed as a collaborative space that enables clients to connect directly with our experts to come up with new solutions to the ever-evolving threats of shrink.”

“Opening our new headquarters increases our capacity to collaborate with both our clients and our partners in the industry,” said [Rod Diplock](#), CONTROLTEK’s chief executive officer. “This new space is an investment into the company’s future but also into expanding our relationships within the loss prevention industry.”

CONTROLTEK’s new headquarters is located a short drive from New York City at 200 Crossing Blvd., Second Floor, Bridgewater, NJ 08807.

###

About CONTROLTEK

Since 1976 [CONTROLTEK](#) has been a global leader in tamper-evident security packaging, helping banks, armored couriers and retailers transport cash safely and securely. The company’s expanding line of inventory protection and visibility solutions also helps retailers protect their merchandise better and run their operations more efficiently. As a second-generation family owned business, with a history of stable growth and a reputation for strong customer focus, CONTROLTEK continues to deliver on its mission every single day: to enable commerce through innovation.
