## **CONTROLTEK's Tom Meehan Joins International Supply Chain Protection Organization Board**

**BRIDGEWATER, N.J., (August 29, 2019)** —Tom Meehan from [CONTROLTEK](#) has joined the Board of Directors for the [International Supply Chain Protection Organization](#) (ISCPO), a nonprofit professional organization that connects members from across a wide array of sectors to promote, educate and advocate supply chain security and protection.

"I'm very excited to be part of a group that focuses on trends in the supply chain," said [Tom Meehan](#), chief strategy officer and chief information security officer at CONTROLTEK. "I am eager to be part of the deeper conversation around the evolution of retail and e-commerce and continue to help innovate in the loss prevention industry for the betterment of the supply chain."

"The ISCPO is excited to have Tom Meehan join our Board of Directors with his expertise in loss prevention and technology," said [Byron Smith](#), chairman of the ISCPO. "The members and the supply chain security industry will benefit from Tom's knowledge."

For more information about the ISCPO and its Board of Directors, [visit their website](#).

### **About CONTROLTEK**

Since 1976 CONTROLTEK has been a global leader in tamper-evident security packaging, helping banks, armored couriers and retailers transport cash safely and securely. The company's expanding line of inventory protection and visibility solutions also helps retailers protect their merchandise better and run their operations more efficiently. As a second-generation family owned business, with a history of stable growth and a reputation for strong customer focus, CONTROLTEK continues to deliver on its mission every single day: to provide solutions that protect and to always deliver on our promises.

### **About the International Supply Chain Protection Organization (ISCPO)**

The International Supply Chain Protection Organization (ISCPO) is a non-profit professional organization that connects members from across a wide array of sectors—from manufacturing, retail/wholesale/eCommerce, and distribution to risk management, law enforcement/legal, and logistics. The organization was created in 2014 to promote, educate, and advocate supply chain security and protection through building strong networks and delivering exceptional leadership training, board representation, and industry support.
