## **RLPSA Releases Latest Safety Survey Results on Live Webinar**

**WASHINGTON, June 22, 2015** – The Restaurant Loss Prevention & Security Association (RLPSA) teams up with LP Magazine to reveal the results of its latest safety survey on a free webinar July 16 at 3 p.m. EST. Space is limited, register [today](#).

RLPSA is committed to educating its members with the latest trends in loss prevention, risk and safety. As a follow up to this webinar, RLPSA annual conference attendees will have access to the “RLPSA LIVE!” session at its annual conference in Las Vegas, August 2-5. Back by popular demand, Kevin McMenimen, COO of LP Magazine will host the session covering the latest data and industry practices concerning restaurant safety practices.

This member-driven, interactive “RLPSA LIVE!” event will continue the discussion of safety with an in-person, give-and-take dialogue of questions about best practices for restaurant professionals. This conference session will engage participants in active discussion, encourage live feedback, and conduct surveys using smartphone technology.

RLPSA regularly conducts targeted surveys and then informs its membership of the latest findings. “As the only organization focused on loss prevention and security in the restaurant industry, we are dedicated to sharing resources, expertise, and knowledge amongst our peer community. Together we find solutions to our challenges,” said James Brussow, Dave & Busters and RLPSA 2015 President.

The webinar is limited to 100 registrants. Register [here](#).
