

## WG announces the addition of a new WG Service Team Member

WG is pleased to officially announce the addition of Anthony Chelini to our WG Service team!

In his previous roles, Anthony has been responsible for providing a high level of customer service and support. Anthony also leverages his technical aptitude and diverse technical skill-sets to provide better assistance to our customers.

On a more personal level, Anthony is also a certified bartender, enjoys fixing up cars and plays for a premier roller hockey team here in San Jose.

We're excited to have Anthony on board!
